## LIBRARY LEAGUE WEEKLY PLANNED

The Children's Department will publish a weekly paper during the Summer Reading Program. It will publish updates of the League contests between teams, give notice of upcoming programs, suggest fun outdoor activities and more. Send us a picture of yourself outside, reading or having fun with family and friends, and we will post it to the Needham FB page and (as space permits) add it to this publication. Send photos to [dshetler@minlib.net](mailto:dshetler@minlib.net).

## SWIMMING LESSONS

Tom and Tess are enjoying their swimming lessons this summer. They are excited to have reached the point of learning new strokes. Tess is the fastest in the class with the breast stroke, and Tom's current favorite is the back stroke. They are up early every morning, dressed and ready to go. They also love opportunities to swim in other places and at other times.

(Which of the stuffies behind the Children's Desk do you think are Tess and Tom?)

## Music With Sarah

On Friday, June 24 there will be two music programs in the Community Room. At 10 AM 2-5 years old will sing and play with Sarah. At 11 AM babies under 2 will enjoy a calmer session.
